Regional College Feroke — Kozhikode

EDUCATION

Python Django/MERN Full Stack Development, Corpus Data Hub — Oct '24 — May '25, Kozhikode

MSc. in Computer Science, Farook College — 2013 — 2015, Kozhikode

BSc. in Computer Science, MEA Sullamussalam Science College - Areacode — 2010 — 2013, Malappuram

Higher Secondary School in Computer Science, GMHSS Calicut University Campus — 2008 — 2010, Malappuram

PROJECTS

Employee Management System (Django)
- Built a web app to manage employee records with role-based login, CRUD operations, and admin dashboard using Django.

Hospital Management System (Django)
- Developed a hospital management web app with patient registration, doctor scheduling, appointment booking, and an admin dashboard using Django.

Social Media Web Application (MERN Stack)
- A full featured MERN stack social media app with user authentication, posts, likes, comments, and profile management. Built with React (frontend) and Node.js, Express.js, MongoDB (backend).

Expense Tracker (MERN Stack + Tailwind CSS)
- Developed a full stack expense tracker (MERN) with JWT auth, category filtering, real time budget insights, and responsive UI using Tailwind CSS.

SKILLS

Web development: HTML5, CSS3, JavaScript, Python, MySQL, React, Node.js, Express.js, MongoDB, JSON, API, Git, Github, Bootstrap, Tailwind CSS, Vercel, Render, Django, RESTful API, Django REST framework, Razorpay Payment Gateway, FastAPI

Others: Data Structures, OOP, Networking Basics, REST API, Array, stack, Queue, Linked List, Trees, Heaps, Software Engineering, PHP, JAVA, C++, Relational DBMS, JIRA
